

FRIENDS

Sun out in the park
get a game and play until it's dark
watch some movies too
just some of the things we get up to
turn on the TV and watch
the whole night long
our nights are fun
and how the days roll on and on

**Whoho looking out for you
Whoho and that's what friends do
Whoho I'll be your best friend any day
Whoho Is that OK**

Send a message to your best friend
we get together every weekend
if you need some help
you know exactly what to do
just call me up and then we'll work it through
those little things you do
a friend in need is a friend indeed

REFRAIN

I've known you nearly for two years
we always made much stuff
I am so proud to be your friend
I hope that this will never end
you are such a tiny girl
I hope you will never quit
for the rest of our life
our friendship
